REMARKS/ARGUMENTS

In response to the Notice To File Corrected Application Papers mailed February 9, 2007, Applicants request entry of the attached replacement drawing sheets including Figures 1A-15B. Figures 1A-15B have been amended to conform to USPTO requirements for quality of lines, number, and letters in the Figures as described in 37 C.F.R. § 1.84. As the amendments are limited to improving line, number and letter quality, Applicants believe the replacement drawing sheets contain no new matter.

Entry of this amendment is respectfully urged since it merely cures a formal defect in one of the claims and does not touch the merits.

Respectfully submitted,
